We need your help in completing the rescue mission for every child God brings to our children's home through the 4th and final **R - REINFORCE!**

REINFORCE: "to fortify or strengthen by additional assistance, material, or support; make stronger or more pronounced." (Merriam-Webster Dictionary)

WHY IS MY HELP NEEDED?

In order to provide the best quality future (physically, emotionally, and spiritually) for each of the children in our care, we need to continue working closely with them after they are successfully rescued, restored, and released to their forever families. This is the primary role of our Family Strengthening Director, who works to Reinforce the almost miraculous restoration every child experience before they are ready to start the next chapter of their new life with their forever family.

Let's all make sure each child we release to their forever family continues to thrive their entire childhood!
